**PRESENTATION DESCRIPTIONS**

***“Walking with Christ Day by Day”***

**Most Rev. Joseph Strickland, Bishop of Tyler**

The great gift and challenge of living the Catholic faith for individuals, parents and families is to make the presence of Jesus Christ in our daily lives more real and tangible. Bishop Joseph Strickland will explore this joyful challenge and attempt to offer some guidance to help the entire family develop this intimate relationship with Jesus. Rather than delving into the complexities of theology, Bishop Strickland will focus on relating to Christ as the real man He was as He walked the face of the earth. His reflection will develop from what Sacred Scripture tells us, “Jesus Christ is like us in all things but sin.” He will reflect on what this really means with an eye to encountering this real presence of Christ who is a companion on our daily journey. As a true human being Christ ate, slept, worked and prayed. He got tired, he sweated, he cried, he laughed, he probably banged a thumb with a hammer now and then and he took pleasure in a finished project. Through this presentation Bishop Strickland will aim to bring all the participants closer to Jesus Christ, their friend and savior!

***“Lift up your Hearts! Experiencing the Power of Prayer”***

**Leonora Butau, Ph.D., Program Director, St. John Paul II Foundation**

How many of us truly believe in the power of prayer? How does prayer transform our lives? In this presentation, couples will have the opportunity to reflect on how God supports and strengthens us through prayer, especially through the prayerful reading of Scripture. As Catholics, we believe in a God who speaks; a God who desires to nourish and illumine our hearts daily with His life-giving words. This practical presentation aims to deepen an appreciation of how praying with Scripture can lead married couples and families to greater intimacy with God and with each other.
