

# TOGETHER IN HOLINESS™

## What is the At-Home Conference Experience?

To accommodate those who are not comfortable attending an in-person event due to health concerns, the St. John Paul II Foundation is offering a special At-Home Conference Experience for this year's *Together in Holiness* conference. While our primary focus remains on presenting an outstanding live, in-person event, we want to respect the wishes of those who are not yet ready to participate in this way.

As an At-Home attendee, you will receive a package of resources, via USPS or email, that will help replicate the conference experience and allow you to enter more fully into the conference experience. The package will include the conference folder, sacred art, thematically-related activities for children.

## What is included in my ticket?

- Livestream of conference presentations, Adoration, and Mass with one additional week of online access
- Conference folder containing the conference schedule, speaker handouts, and more\*
- Tips + ideas to prepare your heart and home for the *Together in Holiness* conference
- Access to our library of fun activities for your children to learn alongside you

*\*Those who register on or before Nov. 11 will receive a folder in the mail. Registrants after Nov. 12 will receive a digital folder only.*

## TOGETHER IN HOLINESS

### Why the At-Home Conference Experience?

The At-Home Conference Experience will be offered exclusively for this year's event, and is designed to enable couples to participate in the *Together in Holiness* conference from within their own domestic church. While nothing can replace the communal element of the conference or the participation in the sacraments, we hope this option will serve as a reminder to couples and families that their response to the universal call to holiness begins at home.

We recognize this pandemic has stretched couples and families, so now more than ever it is important to refocus and rejuvenate your marriage and family life. This experience provides an opportunity to prioritize prayerful, intentional time with your spouse, while also providing practical tools for cultivating a Domestic Church in your home.

### What is the cost?

At-Home tickets are \$15.

This price supports our speakers and helps cover costs such as travel, printed materials, and postage.

If you need assistance with the cost of the conference, we encourage you to apply for a partial or full scholarship; if you feel called to contribute to our scholarship fund, you can do so at the time of registration.

### How does it work?

At-Home attendees will have access to a private Facebook group to view the conference presentations, Mass, and Adoration via Facebook Live.

These recordings will be available for all attendees, live or at-home, until 11:59 pm on Sunday, November 29 2020.
