## PRESENTATION DESCRIPTIONS

### **GROWING IN CONFIDENCE AS SPIRITUAL LEADERS OF YOUR FAMILY**

**Steve and Becky Greene**, Catholic Speakers, Writers, and Co-Hosts of “The Catholic Conversation”

The world offers no shortage of influencers eager to form the perspectives and order the priorities of your children. But without a spiritual foundation rooted in the love of Christ, and in authentic obedience to the teachings of His holy Catholic Church, it can be daunting to take on the spiritual battle that is waged against the family. This talk focuses on not just what your mission is but how to intentionally take up spiritual arms and step into the breach to protect, defend, and strengthen your family both as mothers and fathers, and through the graces of the nuptial sacrament

### **THE HOLY EUCHARIST: SOURCE AND SUMMIT OF MARRIAGE AND FAMILY LIFE**

**Rev. Justin Fletcher**, Pastoral Administrator, Presentation Catholic Church

The Second Vatican Council described the Eucharist as the source and summit of the Christian life. The family, as a domestic Church, must also see in the Eucharist its cause of existence and where all its life is oriented. Pope Benedict XVI, in his apostolic exhortation *Sacramentum caritatis*, states that the indissoluble, exclusive, and faithful bond uniting Christ and the Church, which finds sacramental expression in the Eucharist, corresponds to the call to the definitive communion between man and woman. This talk will help couples to understand the intrinsic connection between their marriage vocation, the mystery of the Eucharist, and the celebration of the Liturgy.
