FUNDAMENTAL HEALTH CARE ETHICS

HUMAN DIGNITY AND THE MISSION OF CATHOLIC HEALTH CARE

Ashley K. Fernandes, MD, PhD
Associate Professor of Pediatrics, and Associate Director,
Center for Bioethics, The Ohio State University College of
Medicine

This presentation will establish the foundation of the dignity of the person as the basis for the *Ethical and Religious Directives for Catholic Healthcare*.

THE VOCATION OF THE HEALTH CARE PROFESSIONAL

Kristin Collier, MD, FACP
Associate Professor of Internal Medicine, Director of the
University of Michigan Medical School Program on
Health, Spirituality, and Religion

This presentation will focus on the need for the practice of virtue for all health care professionals.

THE CATHOLIC APPROACH TO CARING AND ACCOMPANYING THE DYING

Dcn. Stephen E. Doran, MD,
MA Clinical Faculty, University of Nebraska Medical
Center, Department of Neurosurgery, CEO/CMO
Midwest Surgical Hospital

This presentation will discuss the meaning of human suffering and how health care professionals can walk with patients at the end of life and provide sacramental and spiritual care to patients and their families in a way that it is fitting for the mission of the institution, the perspective of the health care professional, and the needs of the patient.

SPIRITUAL AND RELIGIOUS CONSIDERATIONS TO THE MENTAL HEALTH CRISIS: AN INTEGRATIVE PERSPECTIVE

Anthony Isacco, PhD
Professor, Director of Training for PsyD Program, Chatham
University

This presentation will identify spiritual and religious considerations to the present mental health crisis, including how to develop an integrative approach to evidence-based interventions for health care providers in medical settings.

CARE FOR THE CAREGIVER

Thomas Lenz, PharmD; Kristin Collier, MD, FACP;
Anthony Isacco, PhD

This panel presentation will inform doctors of the importance of securing their own health and how to assist patients in holistic healing, noting the necessity to clarify the truth of what it means to be human. In addition, health care professionals will learn how outcomes are impacted by a holistic approach – body, mind, and spirit – to healing.

MEDICAL AND SURGICAL INTERVENTIONS IN LIGHT OF THE GIFT OF FERTILITY

Dr. Kristina Pakiz, MD, dipABOG
CEO of Vivify Women's Health & Fertility, LLC

This presentation will examine ethical medical options for patients which serve the health and well-being of female patients when addressing infertility and appropriate family planning. The presenter will discuss medical and surgical treatments that cooperate completely with the reproductive system.
