PRESENTATION DESCRIPTIONS

MARRIAGE AND THE CHURCH'S MISSION OF EVANGELIZATION IN LIGHT OF THE EUCHARIST

Damon Owens, Co-Founder of *Joyful Ever After*

Married couples have been entrusted with the mission to evangelize from the moment of their Baptism. Married couples and families have a unique place within the Church and society as evangelists. In this presentation, couples will be given the foundations to understand their marriage vocation and the mission of new evangelization in light of the Holy Eucharist. This presentation will give couples insight into the importance of their marriage vocation in relationship to the Church's mission to share the good news with others.

A LOVE THAT SPREADS THE GOSPEL

Dr. Armando and Rhianon Chavarria, Parishioners of Holy Cross

Parents are the primary teachers and evangelists in the domestic Church. This presentation will highlight how the faith is passed down from one generation to another generation. A local family will give witness to the value of receiving a firm foundation in the faith and how this impacts a future generation of believers. This presentation will offer insight into the importance of developing faithful habits of prayer, formation, and evangelization within the home.
